Meeting before school
New and old teachers
Compare classes and grades.
Striving to offer
A challenging curriculum
Rich in knowledge and wisdom.

The morning bell rings
And faculty departs
To begin a new day,
And so begins
The dawn of a decade.

Board of Trustees Studies Standards

As the foundation of Liberty, the governing Board of Trustees met on the second and fourth Thursdays of each month to discuss future school plans. Work carried on at this time included various tasks, such as personnel approval, construction planning, bond proposals and maintaining high academic standards.

Elected by the community last spring, Mr. John Bloomfield and Mr. Leonard Gerry joined incumbent members Mr. Dewey DeMartini, Mr. Art Honegger, and Mr. Floyd Pedersen in tackling the complex and continuous responsibilities facing them.

Before a board of trustees meeting starts, Superintendent Wayne Boulding and board member Mr. Art Honegger discuss the agenda of tonight's meeting. Part of each board meeting is concerned with signing bills and warrants, as well as changing general policies of the school.

Board of Trustees-Mr. Floyd Pedersen, president; Mr. Leonard Gerry, Mr. Art Honegger, Mr. John Bloomfield, and Mr. Dewey DeMartini.

SUPERINTENDENT WAYNE BOULDING

Escorting Lisa Kaplan, 1969 Homecoming Queen, off the field during half-time is one of Superintendent Wayne Boulding's more pleasurable duties. Mr. Boulding is carrying the trophy awarded to Lisa by the Rally Committee.

Superintendent Helps With Accreditation

To assure that Liberty was keeping pace with the changing times, Superintendent Wayne Boulding administered an extensive self-evaluation and accreditation program, in which faculty and students participated. The newly instituted LAP program, as well as all other courses, was reviewed.

Acting as spokesman for Liberty, Mr. Boulding acquainted the Board of Trustees with salary

matters, school management, needs, and accomplishments. He presided over interviews and selection of personnel, and faculty orientation.

More pleasurable duties included escorting Liberty's Homecoming Queen at the October 24 ceremony and attending student body dances.

Administrators Aid Curriculum Change

To pace the expansion of Liberty and solve new problems, administrators offered their knowledge, skill, and experience. Prime responsibilities included school guidance and assuring a smoothly functioning campus.

Besides supervising teacher's curriculum and student activities, Mr. Lou Bronzan also instructed faculty and students in the purpose and mechanics of the five-year school accreditation.

Student discipline, truancy and attendance was handled by Mr. Gerald Clayburn, vice-principal. Mr. Vernon Noble, vice-principal and head counselor, attended to counseling duties and balancing class distributions.

All administrators assisted in chaperoning school activities and enforcing campus regulations.

Pondering over a problem in the counseling department, Mr. David Kirby and Mrs. Mildred Johnson discuss a student's accum file. The counseling department and attendance office work together in order to see that the students have enough credits for graduation.

Counselors Design Class Schedules

Responsibilities of Liberty's counseling department varied from arranging class schedules, and providing information about colleges, to advising students in class choices and offering guidance in personal problems.

Holding personal interviews with parents and students, handling transfers and transcripts and contacting employment offices for graduates, the counselors kept busy throughout the year.

Under the leadership of Mr. Vernon Noble, head counselor and staff, Mr. David Kirby, Mr. Leonard Lucio, Mr. Henry Raming and Miss Julia Arce, the department was able to aid students in preparing for their future.

Junior varsity head football coach, Robert Glenn, discusses various plays with his assistant Larry Welch. Both men have devoted many hours to the development of the junior varsity team.

Teachers Display Unusual Interests

A teacher is many things to students. He is an adviser, leader, listener, and friend; as well as the object of practical jokes. Leading the classroom is just one facet in the teacher's life at Liberty.

Many teachers lend their time to extra-curricular activities. Through these activities students have the opportunity to meet another side of a teacher.

Off the job, teachers utilize their time in many ways. From fishing in the local delta waters and writing poetry for national magazines to jogging and practicing judo, teachers enjoy life as a never ending adventure.

Mrs. Katherine Sorenson looks up from her work as if to ask, "You mean there's more?" Mrs. Sorenson acts as the assistant librarian and is responsible for the multitude of texts used by students and staff.

Taking time to stop and help students, Mike Painter, Ricky Pastor and Mitchell Lasiter, with a football problem is Freshmen Football Coach Frank DeParsia. Coach DeParsia explains a play to his team.

Library Procures New AV Material

When faced with assignments requiring research and study, students utilized the library and its multitude of resources.

Aiding students with their tasks were librarian, Mr. Walter Sharafanowich, and assistant librarian, Mrs. Katherine Sorenson.

With over 600 new volumes added to the library shelves and more audio-visual equipment, the library offered students knowledge and information unequalled in the past.

Explaining how to use the card catalog, Mr. Walter Sharafanowich tells how important it is to know your way around the library. Mr. Sharafanowich is always ready to help students find needed materials.

Trying to locate a film is just one of the many duties of the librarian IWE. Curt Utterback is readying a history film and projector for Mr. Pete Springer's American Government Class. The audio-visual room is just one part of the library's many and varied resource materials.

With great concentration, Spanish students, taught by Mr. James Alves, learn more throughout the year by the use of the headsets and tapes provided for foreign language classes. Shown here are Carmen Gomez and Sue Zavala listening to a lesson

Adjusting her head set, Carmen Gomez prepares for her Spanish III lesson using the audio-lingual equipment. The equipment is used so that the students will become better acquainted with the way in which the foreign language is spoken by hearing it spoken by a linguist.

Foreign Language Sees Latin Return

This year's program in foreign languages consisted of a returning course, Latin I, as well as four of last year's courses, Spanish I and II, and French II and IV.

Vocabulary, grammar and sentence structure were stressed in all classes and taught through use of film strips, tapes and the audio-lingual laboratory.

French classes often employed issues of **Paris Match** as readers. New texts, **Learning Spanish the Modern Way** were issued to Spanish I and II students.

Instructors, Mr. James Alves, Mrs. Evelyn Griffith, and Miss Ethel Van Tassel, provided a cultural background and history summary of the French, Spanish and ancient Roman civilizations.

English Students Utilize LAP Programs

Concentrated short-term units, tailored to meet future needs, was the basic area of study in English III and IV. Emphasis was placed on improvement in grammar, reading and composition. Upper classmen read and discussed such novels as **Anna Karenina**, **Return of the Native** and **Scarlet Letter**.

In English I and II classes, students concentrated on mastering basic skills of grammar

and sentence structure, utilizing for the first time here at Liberty, the Learning Activity Packages or LAPS to the students.

Elective classes of drama and public speaking were offered to those wishing to broaden vocal expressions. The **Liberty Bell** was published by Journalism I and II, while annual staff members focused talents on producing **LION '70**.

Special Education Adds Mr. Gonzales

Because the California state law specifies that all of its residents must attend school until a certain age, Liberty saw the need to provide special aid for those students who found it necessary to drop out of the regular program.

Those who have left the regular scholastic program or were in need of special assistance or needed an emphasis on a particular subject could look to the Special Education Program for help.

Under a relaxed atmosphere, students were able to produce, having work geared to their individual needs. Most of the assignments, because of their nature, were planned and made-up by instructors Mr. Frank DeParsia and Mr. Robert Frary, with a new addition Mr. Art Gonzales.

Mr. Arthur Gonzales explains to Donna DeAzevedo and Olivia Beltram some of the basics of English. New to the Special Education Department, Mr. Gonzales is teaching English as a second language to Mexican-American students who already had as their first language, Spanish.

New Books Help Students Learn Math

Mathematical accuracy necessary in everyday living was stressed in courses of general math with the aid of a new book, **Trouble Shooting Mathematic Skills**.

Geometry students, using their new text, **School Mathematics Geometry**, provided step-by-step proof for principal theorems and explored planes and geometric figures.

Algebra I and Algebra II students furthered their knowledge of number relations. Members of the Trig/Analysis class dealt with problems in space and analytic geometry and in trigonometry.

The department was headed by Mr. Herb Scott with Mr. Gerald Crawford and Mr. Elias Hernandez aiding.

Biology I Students Inspect Anatomy

Two new teachers were added to the science department this year. Aiding students in their study of recent scientific discoveries and progress were Mr. Jerry Black, Mr. Ron Overton, and returning staff members Mr. Robert Glenn and Mr. Dewel Morgan.

Basic understanding of scientific concepts was the goal of all classes. Biology students concentrated on the study of living organisms and life processes.

Chemistry classes, using the CHEM study program, concerned themselves with collecting accurate data on matter composition and reactions. A study of the laws of nature was made by physics students.

Frosh and Sophs Change Courses

Changes were seen in the social studies department this year, as new books and courses were introduced to Liberty students.

For the first time, freshmen members studied state requirements and social studies skills. Sophomores learned the rules of the road as they involved themselves in driver's education.

Juniors familiarized themselves with United States history through the use of the newly instituted LAP program. Studying our nation's governmental system, seniors utilized a new text, **Contemporary Issues in American Democracy**.

Mrs. Pat Dacus, a U.S. History teacher, asks the opinion of one of her students, Ruben Ramos, about the LAP program added this year. This way of teaching requires much individual and independent research.

High School Farm Plays Vital Role

With a big emphasis on farming in the Brentwood area, students, under the direction of Mr. Gary Lewis and Mr. Tom Stammer, were engaged in the actual management of a farm.

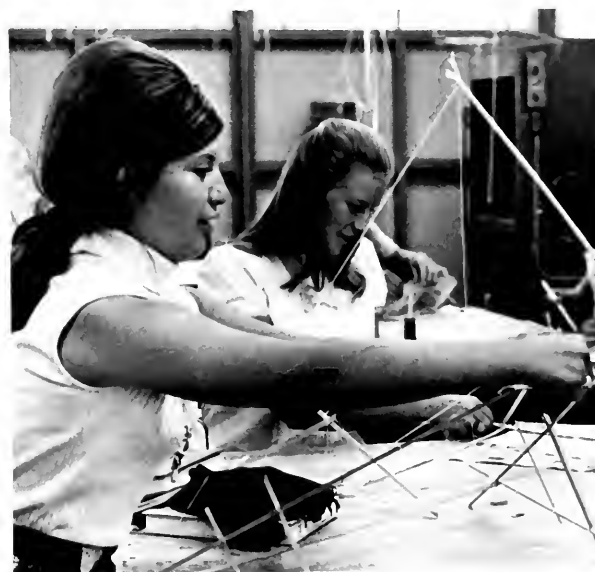

Besides the running of the farm, the agricultural department expanded to include a butchering and slaughtering class and house for use in the actual cutting of beef and lamb carcasses.

Among the new projects completed this year were the building of a new road through the school farm and the building of a water fountain.

The Ag department also acquired two new feed bins and a new hen house.

To complete the class, this summer ag students will participate in the County fairs at Antioch, Pleasanton, and Stockton.

Liberty Designers Dominate Awards

Art students started the year by again dominating the country art show, winning seven of the nine awards, including First through Fourth presented at the Contra Costa County Fair.

Mark Long's landscape painting was voted first in art and chosen Best of Show in high school art. This honor made it five years in a row a Liberty artist has taken the blue ribbon and the school has taken over half of the ribbons.

During Christmas, art students decorated over 50 merchants' store windows throughout the community.

Craft students created projects under the instruction of Mr. Ron Stammer, a new teacher to Liberty. A graduate of Humboldt State College, he worked as a technical assistant in photography and offered his five classes basic principles in photography, pottery, jewelry and lapidary work.

Mr. Ken Forlow's Mechanical Drawing and Architectural Drafting students were given the challenge of designing and building simple machinery and competing for a cash prize in the designing of a 2 bedroom floating home. The final project was the building of a structure for the Ninth Annual Applied Arts Show held in May.

Students Express Creative Interests

In the industrial art classes, students expressed their talents through creation of various articles such as wooden chairs and chests and metal magazine racks.

Comprehension of instruction played an important role in maintaining a safe and operative shop situation.

During May, the Ninth Annual Applied Arts Show was held at which time students displayed projects they made during the year. A car over-hauled by auto shop members was raffled at this time. New to the department this year was Mr. William Grossi, auto shop instructor.

Night Sight Tester Aids In Training

Driver Education students became better acquainted with hazards of driving through use of the newly purchased equipment.

Reflexes were tested by the brake reaction timer and the new detonator. Also employed was a night sight tester which checked the driver's glare recovery and night vision. Students were able to practice these skills in the four 1970 driver training cars.

Mr. Gerald Hardt headed the department in teaching Liberty drivers how to handle automobiles more effectively and safely.

Machines Work To Train Students

Training students to meet future vocational requirements was the primary goal of Liberty's business department.

Headed by Mr. Roy Krumland, staff members, Miss Reta Pirtle, Mrs. Sue Fortner and Mr. Frank Payne, instructed students in use of dictaphones, electric typewriters and mimeograph machines.

Future secretaries were then able to gain insight as to what will be expected of them as employees.

At the annual Senior Scholarship Awards Assembly, students excelling in business techniques and procedures were recognized and awarded.

Taking a bookkeeping test requires great concentration as is evidenced here by Linda White. Checking columns of figures and arrangement is exacting work and a simple mistake can multiply.

Joining the home economic department this year was Mrs. Carol Marshall, clothing instructor. Also aiding students in broadening skills in sewing and meal preparation, were Mrs. Gayle Krumland and Mrs. Jeannie Glenn.

Beginning seamstresses first made a poncho and later completed a cotton garment. Girls in Clothing II practiced their skills in matching plaids, lining clothing and working with velvet, while advanced classes learned tailoring methods.

Foods I and Homemaking II students practiced preparing nutritious meals and also studied grooming and family relations. Family relations studies, interior decorating lessons, and knitting were highlights of the year for Homemaking III girls.

Pam Wisner, Mary Frey, Sharee Austin, Pam Hendersen, Robin White, and Lucille Robles work together to perfect cooking skills they will use later in life and to help at home now.

President's Council Presents Awards

Three new pieces of equipment, chin-up, parallel, and monkey bars, were installed this year to aid physical education classes in preparing for physical fitness and strength tests. These tests were then based on ability exhibited in set-ups, pull-up, rope climb, 440-yard dash and one mile run.

After testing, the boys were allowed to participate in various sports, such as badminton, cross-country, and touch football.

The students were graded on attendance, participation, dressing and skill. Many of the young men were also awarded ten extra points for participation in after-school sports.

At the close of the year, those who excelled in various activities were awarded patches by the President's Council on Physical Fitness.

Jumping up to smash a birdie while playing badminton, Ken Ditmars and Lesley Kerbow show skill in their struggle to win. This was only one of the many sports demonstrated in the Boys' PE classes.

Girls' P E Adds Four New Activities

This year's physical education classes participated in four newly organized activities, modern dancing, gymnastics, flag football, and track and field; as-well-as old favorites of swimming and badminton.

Joining the staff this year to aid Miss Patricia Pearce and Mrs. Dorothy Gromm, was Miss Barbara Tescher.

The American Association of Health, Physical Education and Recreation Fitness awards, as-well-as the President's Physical Fitness awards, were presented to all girls who achieved outstanding scores on the fitness tests.

Explaining the aim of this year's PE program, Miss Pearce stated, "We hope to have activities to carry into later life".

Practicing a few of the skills of soccer are some Girls' P.E. students. The girls are first taught the rules of the game; then they are sent out on the field for practice before participating in the game.

Concerts, Competitions Highlight Year

Harmony is the main objective in music. By harmonizing, band and choir students were able to combine efforts to present such extra-curricular activities as the Christmas Concert and Spring Concert, and football half-time shows.

New band sounds of the 69-70 season were Aquarius, Music to Watch Girls By, Goody Goody, and Classical Gas. Highlights of the year included local competition, Cal Band Day, and the cutting of a record.

With the addition of a new teacher, Miss Kathy Carollo, choir classes began a new season of singing and concert engagements.

Other classes offered in music were musical appreciation, harmony, theory and history, in which students studied the background of music and how to write and compose it. Mixed chorus and girls chorus were also offered to students.

Concentrating on her performance, Dana Lopez plays the clarinet. Band members practice for many hours striving to achieve perfection.

Cafeteria Personnel Begins Day Early

Working behind the scenes, Liberty's cafeteria personnel began their day at 6 a.m., preparing rolls, cookies, juice, hot chocolate, and other breakfast items for the students' enjoyment.

Planning and cooking hot lunches, box lunches, and various a-la-carte foods was a vital part of their everyday routine. After-school snacks of cookies, ice-cream, milkshakes and rolls were also made available to the student body.

It was Mrs. Barbara Clark's, manager, job to make sure that a well-balanced and nutritious diet was offered to the faculty and students.

Boulding Dedicates 'Stonebarger Gym'

By resolution of the Liberty Union High School Board of Trustees and with the total support of the community, the Boys' Gym was officially named "Stonebarger Gymnasium" in honor of Mr. Frank Stonebarger.

Dedication ceremonies were held during half-time of the Liberty-Dublin clash January 30. Superintendent Wayne Boulding introduced Mr. Stonebarger by listing a few of his accomplishments and reading the resolution of the board.

A board of trustees member from 1958 to 1967 Mr. Stonebarger has attended virtually all of Liberty's football, basketball and baseball games for many years. Besides attending those home and away games, Mr. Stonebarger has contributed his time and energy to help develop the athletic programs here at Liberty.

Mr. Frank Stonebarger thanks those people responsible for naming the high school gym "Stonebarger Gymnasium" in his honor

Problems Increase Concern By Youths

This has been the age of revolution. We have been faced with series of changes in almost every area of the social and community life. Things have changed and nothing has stood still.

Youth has been affected by the great changes and have been a major force in producing these changes. The population has been increased more than 50% during their lifetime. Within the next five years, half of the people in the world will be 25 years or younger.

Young people have been concerned about authority, society in everyday social life, and values. They have forced universities to give them a greater role in policy-making decisions. Youth influenced the last presidential election. In modern art, new psychedelic forms are the expressions of youth. Music and dance have

changed with the young.

Drug use, especially marijuana, has increased throughout the United States. Drugs have been used to expand experience beyond the limited. They have most often been used in groups to represent human interaction.

The views of youth and adults have been diversified and often opposite which has brought about the generation gap. The differences have revolved around the guidelines adults have provided for adolescents in such issues as human priorities and values. The environmental influences have also been very different between the two generations.

At the same time adults have also been quite attracted to youth. It has become clear that not all members of a single generation are alike.

Lions Beat Rival; Three Men Shot

Liberty Union High School's football and basketball teams beat their arch-rival in two games this year.

The Lions' first football game against Antioch proved that they were a strong and powerful team when they beat the Panthers with the score of 30-13.

This was the first time in many years that Liberty had beaten Antioch. The football record between the two rivals is 16-6-1 in favor of Antioch.

In basketball Liberty again beat Antioch 59-56 in an exciting game. This was the fifth consecutive year the Lions beat the Panthers.

Liberty's football team strengthened and was undefeated throughout the season. They tied a close game with Amador 12-12 which put them in a tie for first place. The Lions tied for the East Bay Athletic League championship for the first time in four years after having been second after Amador for three consecutive years.

Assassinations of three outstanding Americans cast a dark shadow of gloom over the nation during the past decade.

President John F. Kennedy was assassinated on November 22, 1963. The conclusions which arose were that three shots had been fired by Oswald. Two days later, Lee Harvey Oswald, the president's alleged assassin was murdered.

On April 4, 1968, Martin Luther King stepped out onto the balcony of a motel in Tennessee. A shot rang out and the civil rights leader fell mortally wounded by a bullet in the back of the neck. The assassin was identified as James Earl Ray.

During the first few minutes of June 5, 1968, after winning the California Democratic primary, New York Senator Robert F. Kennedy was hit by three bullets, after making a brief victory speech. The gunman was identified as Sirhan Bishara Sirhan. Fatally wounded, Kennedy was rushed to the hospital where he died the next morning.

These were three men of action and ambition. Memorials and funds have been dedicated to them for their remembrance.

Styles Change; Man Lands On Moon

Young people set the pace in dress, in art, and in the home.

Hair was changed from neatly brushed cuts to flowing, guru locks. In London, Saturday shopping becomes a madhouse of flowing hair and miniskirts.

Another innovation was the miniskirt. Fancy vests, skintight boots, laced-trimmed blouses and shirts replaced old styles.

Women's hairstyles and make-up became prettier going from the brighter to the more natural look during the years. Ringleted hairdos appeared.

The painting-on fad spread from the eyes to other parts of the body. Designs were placed on backs, arms, legs and faces.

Paper dresses became popular and later a plastic dress was designed.

Fashions and fads have changed and will keep changing throughout the years.

Critt Abbott and Mary Ann Valverde walk down the halls of Liberty in some of the new fads and styles. Shown in the picture is the crocheted vest, knee boots, mini-skirt and beads; only a few of the new fashions.

Man has walked on the moon. On July 20, 1969, at 4:17:40 P.M. two astronauts landed their spacecraft on the dusty, rocky, lunar surface. As hundreds of thousands of people on earth listened, man spoke the first words from the moon, "Tranquility Base here. The Eagle has landed."

The Apollo 11 mission enabled man to look far beyond the boundaries of his own planet.

The astronauts, Neil A. Armstrong, Edwin E. Aldrin, Jr., and Michael Collins left Florida on July 16 for their journey to the moon. For the next three days Apollo sped through space.

Sunday, July 20 was the day everyone thought the world had waited and watched for anxiously.

Armstrong and Aldrin climbed into the lunar module, "Eagle". Collins remained in the command ship, "Columbia", where he would be alone for 27 hours.

Finally the moment for which all mankind was waiting; The hatch opened and Armstrong slowly walked down the ladder. With one foot he tested the surface. At 10:56:20 P.M. he stepped onto the "ground". Man placed his own footprints on the moon.

Within twenty minutes Armstrong was joined by Aldrin. They collected many specimens, took hundreds of photographs and began important scientific experiments.

Armstrong and Aldrin then rejoined Collins and began their orbit to earth. After a safe splashdown, they were quarantined for sixteen days.

A new era has begun. Neil Armstrong expressed this as he stepped onto the lunar surface: "That's one small step for a man, one giant leap for mankind."

The Apollo 11 mission has been a triumph for all nations. The mission has shown that man can conquer any unknown; his heart, his mind, his ability and great determination are the greatest resources on the good planet earth.

New Activities Build Homecoming Spirit

Fair weather prevailed for Liberty's annual Homecoming activities. Spirit Week, October 20-24, was kicked off with Halloween dress-up day. Poster competition, pie-eating contest, tug-a-war, and sack and tricycle races were held for the enjoyment of all classes. Seniors collected the largest amount of points in these contests and were presented with a spirit trophy during the rally.

During the rally, Pat DeVall, Sylvia Ramirez, Debbie Redenbaugh, Christine Siqueido and Florence Beeman were candidates in the Miss Ugly Girl Contest. Judged by students' cheers, Pat DeVall, as Freida Fishlips, was crowned "Miss Ugly". The highlight of the rally was the

announcement of the 1969-70 Homecoming Queen, Lisa Kaplan, by Superintendent Wayne Boulding.

Activities for the evening began with the parade through Brentwood, headed by the Grand Marshall Mr. Ken Dwelley, a former member of the Board of Trustees. Winners of the float competition, announced during halftime activities, were sophomores first, Spanish Club second and freshmen third place. After the game, which ended in a 21-0 victory over the Albany Cougars, students gathered in the Boys' Gymnasium to dance to the sounds of the Wheat Stoned Bridge. The queen and her court were guests for the evening.

Mighty Mel Gerkin, with lightning fast hands and an even faster mouth, eats her way to second place as the Juniors win the pie eating contest before the Homecoming Rally on October 24.

Cheers of the Freshmen Class urge Danny Martinez on to greater speed to help the freshmen take first place in the tricycle races. The freshmen tied the seniors in afternoon competition.

Future Farmers Host Barn Dance

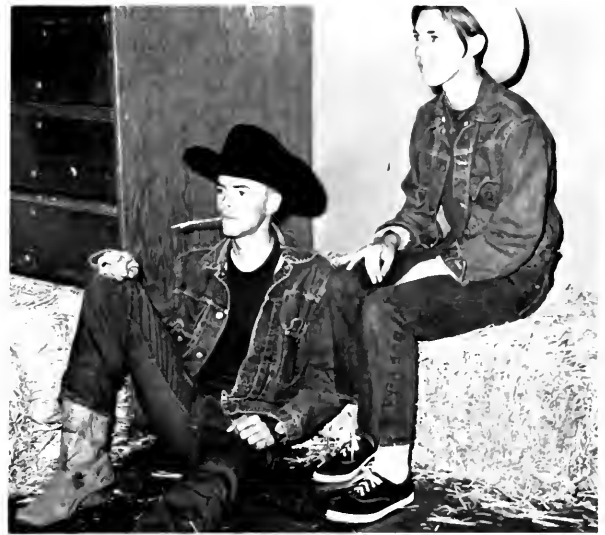

Levis, boots and T-shirts was the prevailing dress at the Future Farmers of America sponsored Barn Dance on September 27.

Borrowing a western theme from the early settlers, Liberty wranglers modernized activities by having a marriage booth, hay in which the girls were thrown and music provided by the Blue Sunshine.

The announcement of the FFA Sweetheart, chosen by members of the club, highlighted the evening. This year's sweetheart, Janis Sherman, was presented with roses and an FFA jacket. Runners-up Tena Austin, Lisa Kaplan, Cheryl Van Buren and Niki Palangi each received a bracelet as a keepsake.

With St. Valentine's Day ahead, hearts, cupids and valentines created a mood of "Love on a String" for this year's Sophomore Hop.

The Key Stone Park provided music and entertainment for the evening of February 7.

The climax of the event was the announcement of the Sophomore Hop King and Queen. Barbara Wheeler and Rick Fortner were there to crown this year's King and Queen, John Castello and Lynnette McLendon.

Scholars Sponsor Colorful Carnival

Clash Day brought a large variety of brightly decorated hats, crazy dresses and plenty of stripes and polka-dots. Bonnie Hanner and Carl Rogers were the winners of the Clash Day competition.

There were plenty of clowns, balloons and musical entertainment to please all at the annual California Scholarship Federation Carnival. CSF members put their creative ideas together to come up with such booths as ring-a-coke, cake-walk, lollipop tree, and the glass booth.

The CSF also held raffles every hour and prizes were given to the holders of the winning number.

Putting make-up on the CSF Carnival clown can be funny or at least Cherri Merritt and Carol Hopkins seem to think so. The Carnival clown, Kathy Rivers, hands out prizes as part of her job.

Discussing events and booth arrangements for the evening with CSF adviser Dewel Morgan are two CSF members.

Student Observes Board's Meetings

Interest and involvement were the key words behind the actions of student council. For the first time, this year's student council was represented at the Board of Trustees meetings by student representative, Jim Sellers.

Getting more people interested in student government was the task of all student council members. Meetings were held regularly for the purpose of informing club representatives of new ideas. As student council adviser Frank Schmidt remarked, "Before you can get people really involved, you have to get them interested."

Reading the agenda for the commission meeting are Aaron Kaplan, Jim Sellers, David Navarrette, and Sean Ferrill.

Three Girls Earn Life Membership

On February 27, California Scholarship Federation sponsored the annual CSF carnival. Also sponsored by CSF was the Honors Dinner held on April 29 in honor of the top-ten scholastic students of each class.

CSF, a service organization aiding the school and community, provided tutors for the elementary schools and ushered at graduation and baccalaureate ceremonies.

The fall semester members of CSF toured the Berkeley Campus and went to see "2001: A Space Odyssey".

This year, as in the past, those senior members who were in CSF four semesters, once being in their senior year, were awarded life membership pins and certificates. CSF members were chosen on scholastic achievement for the semester.

Club members Jean Somerhalder, Shelley White, and Louise Chastek show their appreciation after having been announced life members in CSF. Besides being a life member, each girl earned 100 per cent

membership by being in CSF throughout each of her four years.

New Organization Holds Fall Fiesta

Celebrating Mexican holidays highlighted the 69-70 year for the Mexican-American Club. In its initial year at Liberty, the Mexican-American Club enjoyed a large membership. The purpose of the club was to teach students of their Mexican heritage and show them many honored customs.

Among the many activities involving the Mexican-American Club was a dance sponsored in November. In October the club honored Mexican independence day with a performance before the student body featuring Mexican dances. In May Cinco de Mayo was also celebrated on campus.

Spanish Clubs Wins With Animated Float

Sponsoring numerous activities was the goal of the Spanish Club this year. With its large membership it was able to consider more than one field trip this year. Besides their annual trip to Monterey, Spanish Club members enjoyed a trip to the Sierra Nevada Mountains.

In the spring the club sponsored the annual Madri Gras dance, this year by themselves since the French Club was inactive.

Highlight of the year for Spanish Club was the announcement of its second place finish in the Homecoming float competition. This was Spanish Club's first year of float competition. The prize winning float carried the theme "Burro the Cougars" and featured an animated burro being pulled by an automobile borrowed by the club for the parade.

Yearbook Society Hosts Concessions

Yearbook Society sponsored an after game dance January 30. Patrons rocked out to the sounds of the Camel Back East. Members of the Escalon Band were guests for the evening.

This year the club sponsored the concessions at the EBAL track meet. Another dance was held in March.

Working to accomplish their goals, Jeanette Novarina, president and Shelley White, secretary-treasurer lead the club.

The purpose of the club was to raise money to help finance the yearbook sold every year.

Guest Columnists Contribute To Bell

Modernization was the key word for Liberty Bell for '69-'70. Among the various improvements made this year was the installment of page editors instead of section editors. A new column was instituted called the guest column. Members of Liberty's faculty were invited to write articles about any subject the teachers cared to write.

Among activities participated in by Liberty Bell was its entrance into competition at the Journalism Conference at Chabot College in Hayward. Also, page 1 editors Jim Sellers and Allan Silva, accompanied by adviser William Batze, attended the PG&E Junior Gang Dinner sponsored by the San Francisco Press Club.

Club Members View Recent Productions

Starting the '69-'70 year originally as two clubs, Playmakers united with Cinema Club under the former's name to form a single club dedicated to the dramatic arts. Members enjoyed the benefits of sponsoring dramatic presentations as well as of viewing several presentations of dramatic art.

Monthly meetings were held for members to choose which films they would like to see. Besides deciding on film choices, members discussed future activities to be sponsored by Playmakers.

Playmakers sponsored two dances in early 1970 and a concessions stand during the January 16 basketball game against Albany. Highlighting the entire year for Playmakers was the annual Student Body Play held May 15 and 16.

Future Teachers Raffle Off Cakes

Reestablishing itself as an active organization on campus, the Brentwood Chapter of Future Teachers of America enjoyed a large enrollment during the '69-'70 year. After a year of absence, Future Teachers returned to Liberty and immediately set about establishing a constitution which was ratified by student council.

Future Teachers was started for students interested in the field of teaching for a career. The purpose of the club was to display to students the various fields in education and show students basically what teaching really was.

Liberty's chapter of FTA sponsored a cake raffle in January for the purpose of raising enough money for the club to attend a seminar on teaching at Cal State Hayward.

AFS Accepts Two To Study Abroad

The American Field Service Board accepted Linda Vaissade and Jeanette Novarina to go abroad as foreign exchange students during the next school year.

Staying in Yennes, France this year was Jane Boulding. She was accepted by AFS to go to France on an AFS scholarship.

Staying with his American brother, Ken Clark, was Fleming Mengel from Fumen, an island off the coast of Denmark. He learned much about the ways of the American people and he presented traditions and customs of his country.

AFS sponsored their annual International Christmas on December 17 in addition to the calender sale in the fall.

Business Students Visit Local College

The Business Club co-sponsored a dance and concession with the Future Homemakers held on Friday, January 9.

Students traveled to the Diablo Valley College Campus where they met DVC representatives of the Business department. A field trip was also taken to a business school in Stockton.

The goal of the club was to earn money to award a \$50 scholarship to a graduating senior majoring in the field of business.

The purpose of the club was to promote interest in the field of business and to provide additional opportunity to learn about positions available in the business field.

Activities this year were planned by Angela Pacheco, president; Karen Casey, vice president; Georgi Massoni, secretary; Karey Evenson, treasurer; and adviser Roy Krumland.

Brentwood Chapter Wins Contest Again

Competitions, dances, and banquets were the main activities of the '69-'70 year for the local chapter of Future Farmers of America.

Members entered Judging contests in county fairs at Antioch and Stockton and at the California State Fair at Sacramento. The chapter sponsored a tractor driving contest on campus. They then took first place in this event.

Two annual dances, sponsored by F F A were held at different times of the year. The Barn Dance was held in the early fall. Late spring was the time for the Surfer's Dance.

In January the chapter took a trip to the mountains and in May it sponsored a Parent-Student Banquet.

Boosters Arrange Exchange Concert

The goal of Band Boosters for this year was to host Escalon High School Band in an exchange concert. During the spring, Escalon members stayed at the home of Liberty Band Booster members.

This year during Homecoming the band participated in the parade and half-time ceremonies.

At Christmas, they presented a concert Thursday evening, December 18 for the community and Friday morning, December 19 for the student body.

The band also presented a concert at Truckee High School and stayed at the homes of Truckee band members.

Clef Club Sells Candles To Buy Risers

During the months of November and December, Clef Club members sold Christmas candles to community and student body. Games concessions and dances were also held to raise money.

During December, Clef Club went caroling at the various elementary schools in addition to taking part in the Christmas concert on December 18 to entertain the public and December 19 to entertain the student body.

The goal of the club for the year was to buy new risers. The purpose of Clef Club was to promote interest in the performance of quality vocal music.

The officers included Louise Chastek, president; Brenda Garner, vice-president; Jana Hampton, secretary; and Naomi Thompson, treasurer. Miss Kathy Carollo was adviser.

Block 'L' Sponsors Game Concessions

Consideration of the year's activities began early for members of Boys' Block "L". Aided by advisers, Mr. Jack Ferrill and Mr. Keith Dawson, the club held a dance and sponsored the concessions stand during the Antioch-Liberty basketball game. Such activities helped earn money for the various sports trophies awarded by Block "L". A picnic was enjoyed by the club in spring.

Led by officers, Frank Rosas, president; Merle Knight, vice-president; and Rick Fortner, secretary-treasurer, the club made minor revisions in its constitution this year.

Girls Participate To Earn Block "L"

Girls who have participated two years in Girls' Athletic Association and received the block "L" were invited to join Girls' Block "L".

These members have not only participated in sports activities but have also given their services and have represented Liberty in sports days.

Miss Pat Pearce, advisor, adds, "I feel that this adds to the moral fiber of each girl and we hope that her participation in GAA will lead to further accomplishments in the future in the area of physical activities."

This year the group was led by Pam Collins, president; Jeannie Carlisle, vice-president; Cyndi Pedersen, secretary; Shelley White, treasurer; and Miss Barbara Tescher was co-adviser.

New Adviser Aids Girls Sports Days

Girls' Athletic Association members were kept busy with many activities such as sports days, swimming and tennis. To advise the girls in their various activities were Miss Pat Pearce and Miss Barbara Tescher.

Sports days were an added activity for GAA girls. Organized teams competed with different schools in such sports as volleyball and badminton.

At the end of the year the GAA members sponsored the Mother-Daughter Banquet in which the members were awarded their numeral, small "L", block "L", pin or cup.

The climax of the year was the GAA Turn-about. GAA girls planned and decorated for the dance in tune to their theme.

Boarding the bus to go bowling, GAA members Marie Gomes, Gail Franklin, and Mary Jo Robinson show their enthusiasm for the sport. Providing girls with the opportunity to participate in sports usually not available to them in daily life is one of GAA's functions.

Pep Club Buttons Help Raise Spirit

Various Homecoming activities highlighted the '69-'70 year for Pep Club. Pom-poms and booster buttons were sold during Homecoming week. Sponsoring the annual "Ugly Girl Contest", Pep Club provided frivolity to the Homecoming rally. Pep buttons were issued to members at the beginning of the year and team booster buttons were sold during various seasons of the year.

Combining their efforts to plan a successful year were club officers, Melanie Gerkin, president; Nancy Tovar, vice-president; Marie Gomes, secretary; Diane Stewart, treasurer; and Pam Morse, representative, with the help of adviser Mr. Ellrie Von Schopp.

Athletics

Working out after school,
Two wrestlers prepare
For an up-coming match,
So that they may be sure
They will excel
In this athletic competition.

But they must practice again-
Tomorrow and the day after,
And throughout the season;
And so begins
The dawn of a decade.

Watching the coin toss of the official are Homecoming co-captains John Rogers and Frank Rosas. Liberty beat the Albany Cougars 35-12.

Getting into the thick of things in a defensive play with the Panthers is Steve Knight, 66, making the tackle and Steve Bronzan, 50, aids him.

Executing a hard diving tackle to take down an Antioch opponent is senior Frank Rosas. Rosas plays both offense and defense in the game.

Varsity Team Ties For EBAL Crown

With a season record of 7-0-2 the Varsity football team tied with the Amador Dons for the EBAL Championship. Because of great individual efforts, 12 team members made EBAL All-league teams.

Coach Jack Ferrill said, "This team is truly one of the greatest in the history of Liberty football; they played like champions because they were champions. I shall never forget them for a job well done."

This year's varsity squad showed desire and drive from its first victory over rival Antioch to the end of the season. Members of the team worked and developed themselves to form a good effort and team unity.

"The efforts of each team member made this one of Liberty's finest seasons ever," remarked Coach Ferrill.

Keeping the ball and rolling out to the side is quarterback Jim Honegger. Throwing the initial block which set up the play is Steve Knight

Getting the angle and closing on an Antioch opponent is back Merle Knight. Knight made the tackle but was too late to stop a first down.

Working the team hard and moving them well are Coaches Jack Ferrill and Jerry Miller. They kept the team going physically and mentally.

Undefeated Lions Share Championship

Releasing a spiral pass before an Antioch lineman tackles him is quarterback, Jim Honegger. Giving protection up front is Merle Knight.

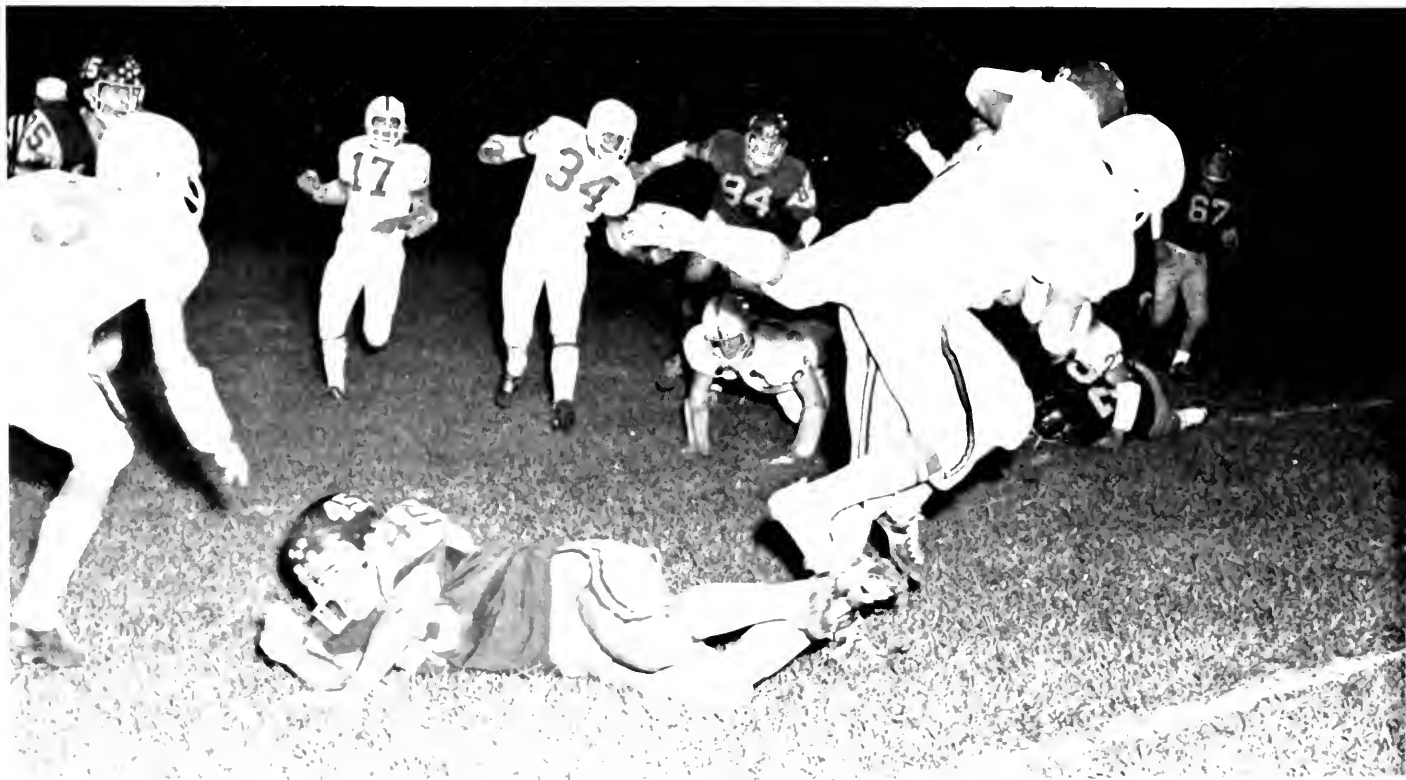

Attempting a field goal is soccer style kicker, Fleming Mengel, Liberty's foreign exchange student. Spotting the ball for Mengel is senior quarterback and holder Rich Barrios.

After receiving a screen pass from Jim Honegger, Merle Knight runs hard and makes a few yards before being brought down.

Throwing blocks for Jim Honegger, being hit by number 30 of the opposition, are Merle Knight, 45, and Gary Colbert, 76. Running

to aid Honegger is Steve Capozzo, 25, Mark Dwelley, 84, and John Rogers, 67. Honegger scrambled for another 2 yards.

Lion Cubs Score With 4-5-0 Record

"The 4 win and 5 loss record attained by this year's team surely does not indicate the tremendous potential which the individuals have," remarked Coach Robert Glenn at the conclusion of the season.

The junior varsity squad, this year, had a good number of strong individuals. The team's practice and training developed desire and determination to win. The team was strong on both offense and defense as is indicated by their 154 to 90 points scored.

Coach Jack Ferrill said of the team, "They're the hardest hitters that I've ever seen on any JV team".

The 4-5-0 season gave the junior varsity team third place in the EBAL.

Executing a sweep play is junior halfback, John Stanton, 49. Pulling from his back position to block is a junior, Bill Kersey, 31.

Frosh Team Wins Two in League Play

“Although plagued by bad breaks and penalties, the frosh team played good ball this season. The team was well-balanced offensively and defensively. The players had spirit and wanted to win,” summarized Mr. Frank De Parsia, head freshmen football coach.

Winning two league games and dropping three, the Lion cubs finished fourth in the East Bay

Athletic League standings.

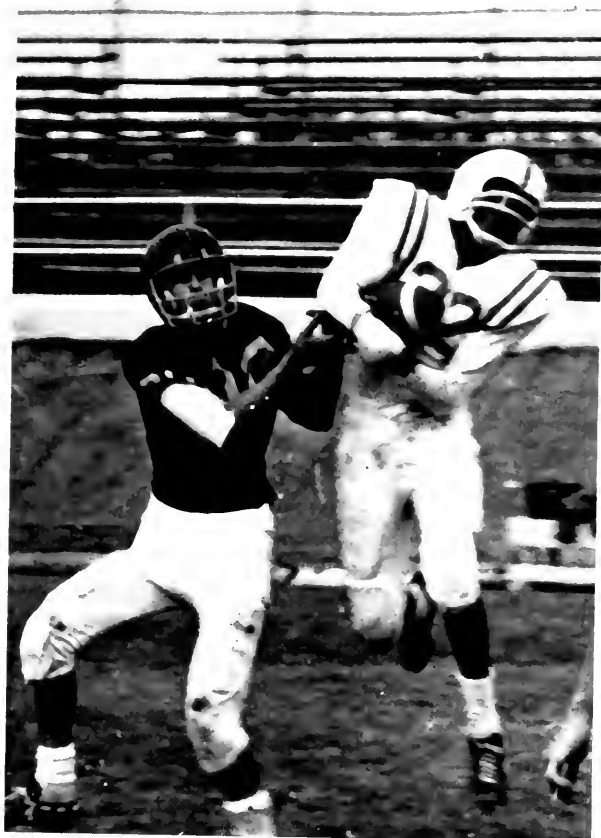

Team captains for the year were Richard Rios and Jerry Zamora. Zamora was also the leading rusher for the freshman team.

Coach De Parsia felt that the team might have done better but considering that this was their first year he was pleased by their performance.

Following blocks from Dennis McLain, 71, and Michael Painter, 31, Jerry Zamora, 40, runs for yardage against Albany Cougars. The cubs won, 30-0.

Snatching a pass from the fingertips of Steven Wetzel is an Albany opponent. In spite of the interception, the Frosh defeated Albany.

Preventing a Granada opponent from advancing the ball are guards Ray Ortiz, 62, and Alfred Bustos, 64, while teammates Dennis McLain, 71, and Hector Jimenez arrive on the scene in time to come to their aid.

Young Team Wins Third In League

The cross country team this year took third place in the EBAL. The team was young and consisted mostly of sophomores. Weeks of conditioning and training and coaching was reflected by their third place finish.

Coach Herb Scott said, "The turnout this year was small and the team lacked experience, but their performance and effort was outstanding. This year's team will be a good nucleus for next season." The team was led by captain Carlos Farias who was also most valuable runner.

Juniors Lead Tennis Team to Victory

The tennis team this year concentrated on polishing past experience and making the team strong. Since the turnout this year was small, the team took time to work on form and consistency.

Captain Darrell Hoyle and most valuable player Aaron Kaplan led the team with spirit and determination. The team consisted mostly of juniors and a few freshmen.

Coach Dale Cozby said, "The team was a good group that showed enthusiasm and promise. I hope by building this year we can look forward to a good season next year."

Varsity Lions Take Fourth in League

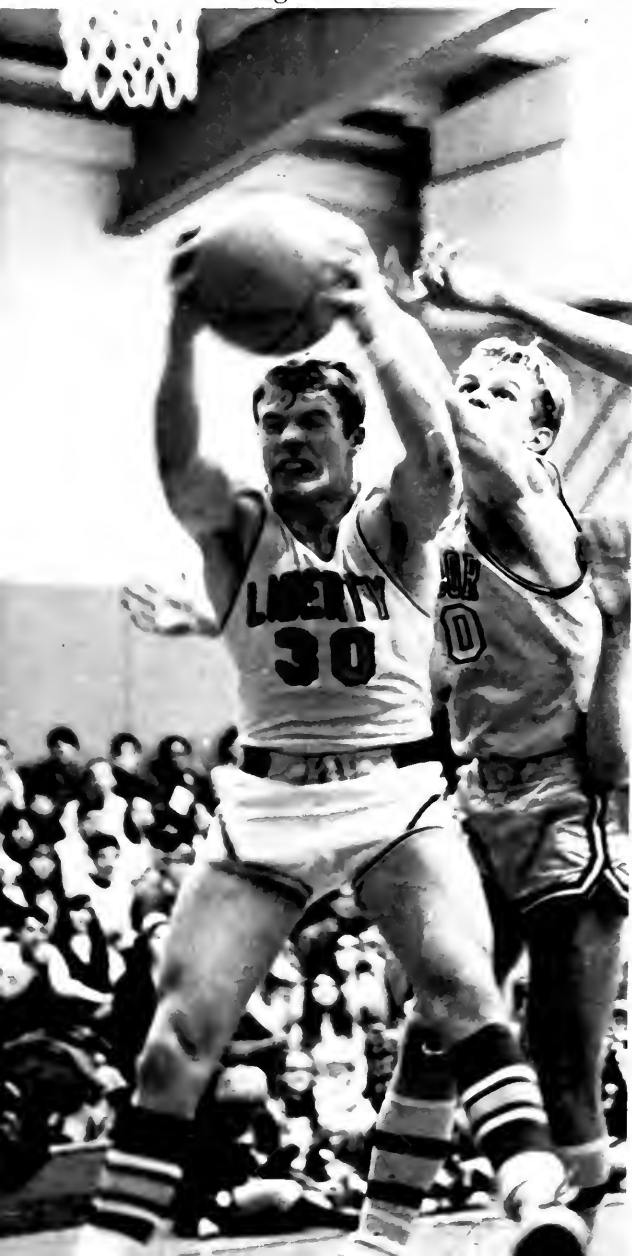

The Varsity squad this year compiled a 7 win 5 loss league record to take fourth place in the EBAL.

This year's team brought many titles to Liberty. The Lions were ranked first in scoring the most points in the league. The team was ranked third in the league on defense.

Three of Liberty's players received honors. Mike Rozenski was the second leading scorer in the league, averaging 18 points. He made the EBAL all league first team. Rick Fortner

13th in scoring, averaging 11 points a game made second team all league. Jim Honegger 10th in scoring, averaging 12 points a game made honorable mention.

Coach Jerry Miller said, "Even though record-wise this was not my best season, I feel this is the finest basketball team I have coached at Liberty in 4 years, considering we played against some of the best teams in Northern California."

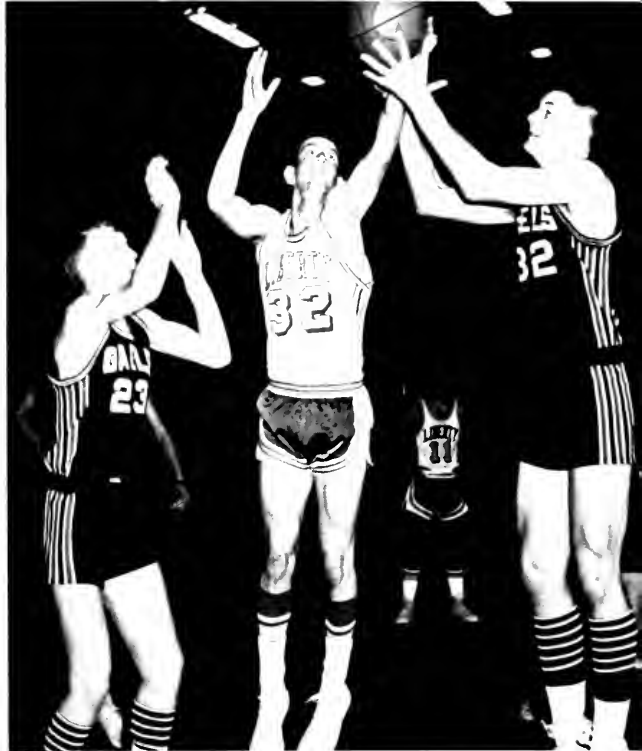

Stretching hard, trying to control the jump-ball, is Mike Rozenski. Mike was the league's second leading scorer averaging 18 points.

Using all of his strength to grab and control the rebound of an Amador opponent is Rick Fortner. Rick made second team in the EBAL.

Dribbling down court, keeping a close eye on his Antioch opponent while setting up a play is junior Jim Honegger

Jumping and reaching high for a rebound is Ward Burroughs, while Steve Knight, 11, looks on. The Lions went on to beat Dublin 79-43

Gasca, Washburn Lead Lion Cubs

Opening the basketball season in late November, Liberty's junior varsity Lions compiled a 6-13 season record and a 3-9 league record. The Lion Cubs outrebounded their opponents 593 to 534. Sophomore guard Sal Gasca led the team in point average with 10 per game. Junior center Ollie Washburn led the team in rebound average with 7 per game. Junior forward John Casey was second in point and rebound averages with 9 and 6 respectively.

Creating a possible three point play, sophomore guard Sal Gasca, 34, draws a foul from his Gael opponent while attempting a jump shot. Forward Joe Sceno, 35, moves inside to aid. The Lion Cubs mounted a 30-28 halftime lead, but fell behind late in the game and lost 56-60.

Attempting to block his Dublin opponent's shot, junior center Ollie Washburn reaches to get the ball. Washburn placed in point average with 8 points and led the rebound average with 7 rebounds.

New Coach Leads Freshmen Team

This year's freshmen basketball team accumulated a 4 win and 10 loss record for the season's play.

The team was lead by captains, Carl Mune and Mike Painter. The team averaged 53 per cent of their shots from the floor and had a strong offense. The leading scorers for the season were: Roy Massoni, 124 points; Mike Painter, 108 points; Carl Mune, 100 points; and Mitch Lasater, 98 points.

The team's newly acquired coach for this year was Jerry Black. Coach Black said, "I'm satisfied with the way the team worked together. They did well against a lot of good teams and many times lost only by a few points. They were inexperienced but were determined and spirited."

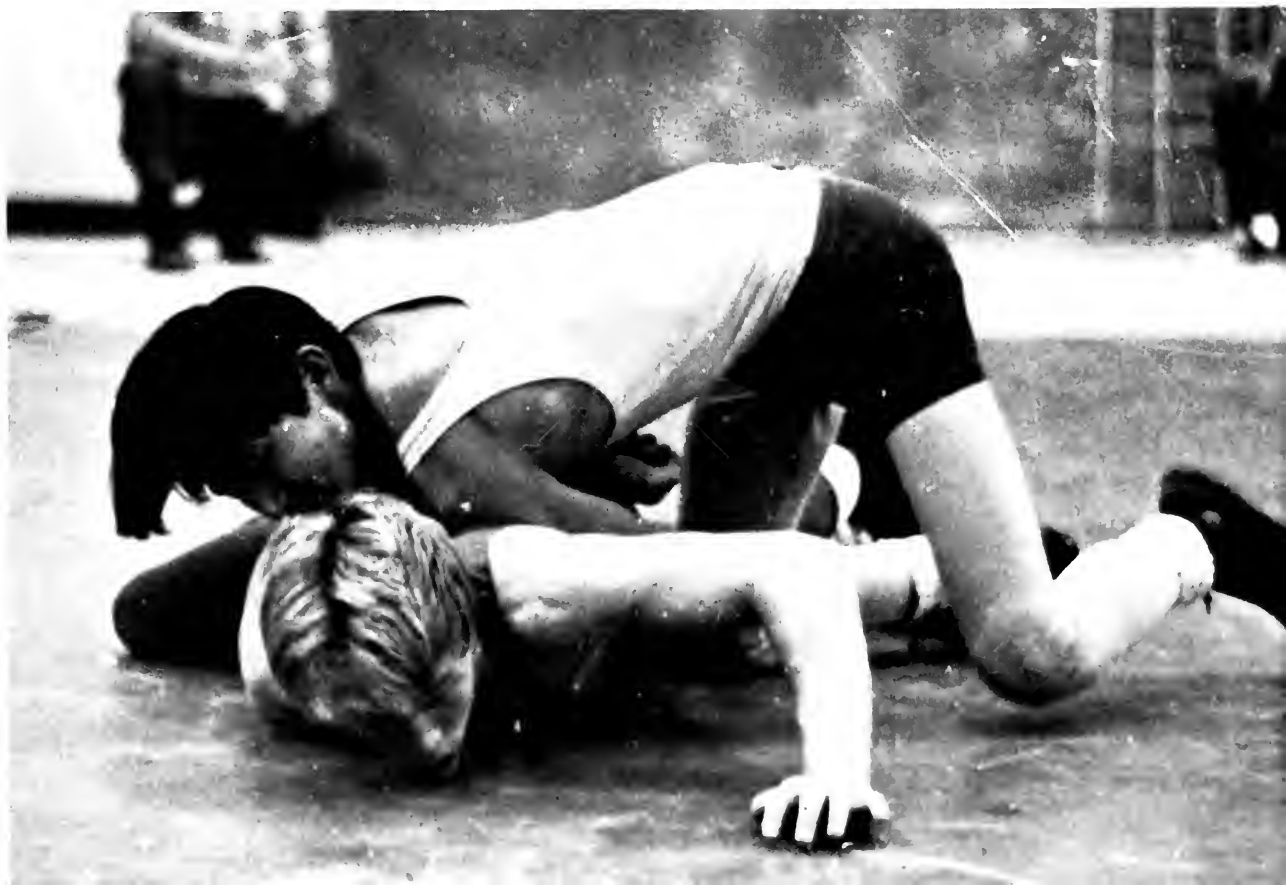

Jumping and grabbing the rebound over his John Swett opponents is Matt Jacobs. The cubs blasted a 63-31 score to win this game.

Swinging quickly around for a reversal on his Granada opponent is freshman Dan Martinez. Dan wrestled Junior Varsity this year.

Grasping for a hold on his Amador opponent is senior Sam Nishimura. Sam later wrestled in the EBAL Tournament and placed first in his class.

Wrestlers Take Second Place in EBAL

Ending the season with an 8 win-4 loss record, this year's wrestlers placed second in East Bay Athletic League competition.

Liberty matmen captured six first place titles in the EBAL Tournament and also took three second and third places in individual weight classes.

Coach Keith Dawson said, "We were rated fourth in the league but by hard work we were

able to pull out a second place. This year's team was very good but I would like to see more boys come out to give the current varsity members more competition and give us more depth."

He also remarked, "The team concentrated more on technique and speed when executing moves. They devoted a lot of time and effort and because they did they deserved to win."

Contemplating his next move against a determined Amador opponent is senior matman Ken Clark. Ken finished fourth in the EBAL Tournament.

Trying to get out of a predicament is junior matman Mike DeLuna. Mike wrestled junior varsity this year in the 127 weight class.

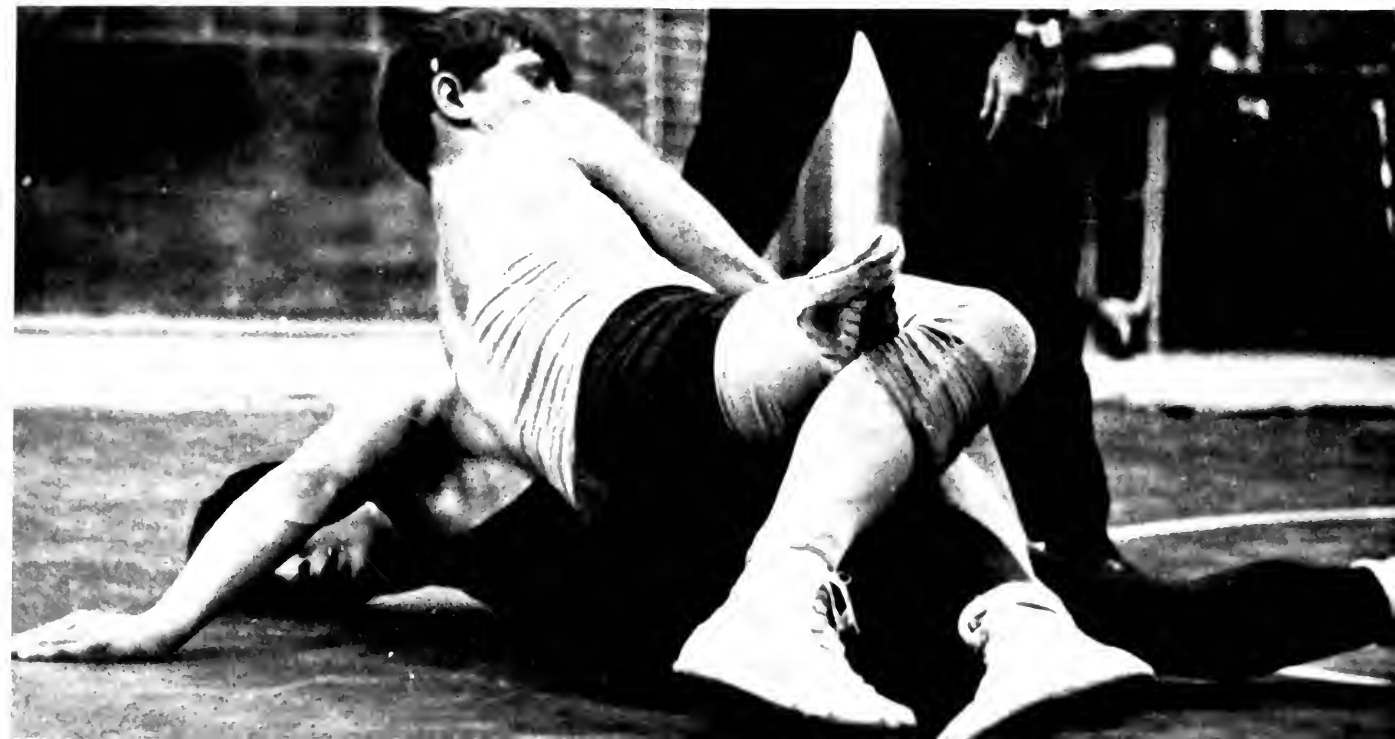

Getting a good hold on his Granada opponent is junior Rick Cervantes. Rick wrestled varsity but was plagued with injuries most of the season.

Matmen Capture Six First Place Titles

Putting the pressure on his Amador opponent is junior matman Brian

Goffman. He was one of six Liberty men that took first in the EBAL.

Athletic Department Adds Soccer & Golf

The newly organized golf team was coached by Mr. Herb Scott during its preliminary season. Coach Scott said, "The players have little experience but it was a good turn out for golf's first season. The team is proud and spirited and I am looking forward to many good years of golf here at Liberty.

The soccer team acquired a 2 win, 5 loss, 2 tie record for its initial season of play.

Coach Arthur Gonzales said, "I feel Liberty will have a more experienced team next year. The team did well this year considering other schools have been playing soccer for some time.

Rally Squad Adds Frosh Yell Leaders

The rally squad was increased this year by the addition of two freshman cheerleaders. The number of mascots was renewed to two once again and Bartholomew, the squad's stuffed gold lion was introduced to Liberty.

Cheerleaders, songleaders and mascots attended all football and basketball games and were in charge of the rooters' bus. Under the direction of Mrs. Pat Claywell, the girls worked to improve cheers and routines and provide spirited rallies.

Majorettes worked with Band III members during marching season and performed during all half-time ceremonies. They were instructed and supervised by Mrs. Carol Marshall.

Lettermen Return To Help '70 Team

In hopes of having a productive season, baseball started early with hard practice sessions. Both coaches Robert Glenn and new junior varsity coach, Jerry Black, worked on their teams' weaknesses and tried to strengthen the offenses. By playing inter-squad games, the players were able to concentrate on building up past experience and at the same time gain new skills.

Liberty's varsity baseball team compiled a season's record of 9 wins, 11 losses and a league record of 4 wins, 6 losses for 1969.

This year the team had 9 returning lettermen from last year. The 1970 team proved to be one of Liberty's largest turn out of veterans. Coach Glenn said, "Although the team lacked pitching depth and needs improvement in batting, we have a strong defense especially at first base and at shortstop. We also work well as a team and have good speed on the bases."

Bearing down with a good hard swing is junior Ray Sanchez. Ray hit a line-drive single to help Liberty win 3 to 1

Track Team Wins Third in League

The 1969 varsity track team accumulated a season's record of 6 wins and 3 losses while the junior varsity squad compiled a 2 win and 7 loss record. "Although the records weren't as good as last year's, this proved to be a good building year," said Coach Dawson.

With over half of the varsity track team returning in 1970, Coach Keith Dawson was looking forward to a good season. "This year's track team has good middle distance runners but needs more depth in the mile. I'm expecting a good team if we have a good turn out. Although we will have to further develop the distance team and build up spirits, we have good all around balance."

The new season began with Mike Standridge breaking the pole vault record by two inches. Mike vaulted 13 feet, 3 ¼ inches. The team also took second at the EBAL relays which began the season.

After sprinting hard down the stretch, Jim Vigil thrusts himself high and long into the sand pit, in the long jump event

Swimmers Place Third in Competition

The 1969 varsity swimmers finished third in EBAL competition with a 6 win, 6 loss record. The frosh-soph swimmers won 2 and lost 10.

Coached by Mr. Jack England, the 1970 team had strong leaders in the 200 yard freestyle, individual medley, breaststroke, butterfly and backstroke.

Coach England stated, "I hope that the swimmers can go through early training without too much difficulty. I am looking forward to a productive year in which I expect a few swimmers to break past records. We are well balanced and have a strong team."

Freshmen Class Captures Third Place

Dedicating their first year at Liberty to promoting Lion spirit, the Freshman Class entered their float "Liquidate the Cougars" into the Homecoming Parade and captured third place. This was the first time in five years that a freshmen float placed in Homecoming competition. The class also placed second in the spirit contest held during the week preceeding Homecoming.

On October 17, class members operated concessions and sponsored the dance for the John Swett football game.

David Navarette, Lori Massoni, Mary Ann Ochoa, Denise Bacchini and Patti Dell Antico led the class of '73 with the help of advisers Miss Julia Arce and Mr. Jerry Black.

Cages First Prize

Toiling to earn money for their senior year, the Sophomore Class sponsored numerous activities throughout the year. In October, members constructed "Cage the Cougars", homecoming float which captured first place in the competition. In class participation sophomores entered the pie-eating, tug-a-war, and race competitions.

On November 7, the sophomores hosted the concession and the dance for the Livermore football game. Climax of the year for class members was the Sophomore Hop, held in the spring.

With the guidance of Mrs. Sue Fortner and Mr. Jerry Miller,; class officers, Dan Jones, Larry Lopez, Marie Gomes, Mary Hanson and Lynnda Mori, presented ideas and made decisions concerning their classmates and activities.

Junior Class Sponsors Annual Prom

Juniors began their third year at Liberty with a successful Saturday car wash in front of the cafeteria.

The Homecoming concession and after-game dance on October 24 was hosted by the Junior Class to raise money for next year's Senior Ball.

"Cork the Cougars" was the theme of the Junior's Homecoming float. Working on it for

weeks before, the class entered the float into the annual Homecoming Parade October 24.

One of the highlights of the Junior year was the annual Junior Prom held in the Spring.

Helping the Juniors throughout the year were their class advisers, Miss Barbara Tescher and Mr. Harold Child.

Officers Guide Seniors in Final Year

To make their last year at Liberty a successful one, class officers, Steve Knight, Allan Martin, Carol Moore, Cheryl Van Buren and Sylvia Ramirez guided their classmates in various activities throughout the year.

Starting the year with the concession at the Antioch football game and after-game dance, the class went on to sponser the Christmas Capers dance in December, a car wash, the Senior Ball, and their homecoming float, "Victory, Peace of Mind". Along with these activities, the class of '70 also took part in the new Homecoming contests. The winning of the tug-of-war aided them in capturing first place in the activities.

In the annual Future Farmers of America tractor contest, members from all classes participated in the events. The seniors, along with other FFA members, took first place in the contest.

Business classes helped prepare senior girls for future occupations as secretaries and typists. They also enabled girls to continue their studies at business colleges.

To guide them in college choices and occupational plans were the counselors. The counselors spent many hours investigating opportunities to aid their students.

Also guiding the class of 1970 were advisers, Mr. Ken Forlow and Mrs. Jeannie Glenn.

Highlight of their freshman year was their float "Stomp the Matadors". Climax of their sophomore year was the sophomore hop, "Inside Alice". Theme of the junior prom was "Persian Night". The big event of all four years was their Senior Ball.

"Victory, peace of mind", is the theme of the senior float which was constructed at a lumber yard in Brentwood. The float shows a large Lion overlooking an Albany Cougar as he holds the peace sign aloft or the

World War II "V" for victory sign. On the back of the float rides the Liberty Bell, which traditionally is part of the Senior Class float. The float was entered in the parade.

Playing the bells in a practice session before a concert is Nancy Frey. Holding on with one hand to the music and the other playing necessitates leaning the bells on a table for support. When the band marches

Nancy wears a strap around her waist to hold the bells in place. Nancy uses a plastic stick to strike the different keys of this instrument and produce the unusual tones.

An Equal Opportunity Employer

Jeanette Novarina, Cameron Wong, Debbie Davenport

Students of the Months for 1969-70 are Louise Chastek, October; Steve Capozzo, September; Shelley White, November; Oscar Rios,

December; Tena Austin, January. All five seniors, nominated by liberty faculty members, were selected for outstanding qualities.

Rotary Club Honors Students Monthly

Each month a student was selected as "Student of the Month". They were chosen on leadership, citizenship, scholarship and being an all-round good student. Teachers sent names of possible selections to Principal Lou Bronzan who then made the final choice.

The "Student of the Month" award was spon-

sored by the Brentwood Rotary Club. The honored students were invited to a club luncheon where they were introduced and a resumee about them read. In this way the club tried to make the community aware of the outstanding students at Liberty.

School Accepts Summer Delivery In '71

The 1969 **LION** was awarded first class by the National Scholastic Press Association in its forty-ninth judging and first place by the Columbia Scholastic Press Association in its thirty-fifth year of judging. For the second consecutive year, the National Scholastic Yearbook Association awarded its highest rating of A + to the **LION**.

Using "Dawn of a Decade" as a theme, major emphasis was placed on bringing out the changes and new programs at Liberty. It was the first year a metal-lay design was used on the cover of the yearbook. The book was increased by 12 pages, making it the largest

publication ever produced by a Liberty staff. The advertisement pages were increased as well as classes and sports sections.

During March, the staff proposed a summer delivery book for the 1970-71 school year. The idea included entire year coverage, expanded sports and section pages and all activities completely represented. The idea was then voted on and passed by the students.

The 1970 yearbook introduced new ideas and promoted future progress. It also marked the end of an old tradition and the beginning of an all new **LION** for Liberty.

'Thank You' to Those People Who Help

Because it isn't possible to produce a yearbook without the support and assistance of many, I would like to express sincere thanks to all of the people who donated their help and cooperation in making the 1970 **LION** a success:

Administrators and faculty members for being so understanding and cooperative in granting those last minute requests;

American Yearbook Company for the printing of the 1970 **LION** yearbook;

Mr. Jim Crosland for his in-the-plant production management of the yearbook;

Mr. Hal Matson for the excellent photographs that make an effective book;

Mr. Bill Stephenson for help with the organization of this yearbook;

Mr. William Batze, adviser, to whom we owe a special thanks for his hours of hard work and devotion which made this yearbook possible;

1970 **LION** Staff for their dedication and spirit throughout the year which makes it possible to produce a yearbook;
